Construction work of residential building for DU teachers begins

Varsity Correspondent

The construction work of the ten storeyed residential tower building for the teachers of Dhaka University started on Wednesday.

Vice-Chancellor of the university Prof. A.K. Azad Chowdhury formally inaugurated the construction work at the northern side of Udayan School on the campus.

Addressing the inaugural ceremony the Vice-Chancellor expressed his gratitude and thanks to the Prime Minister, the Education Minister and University Grants Commission for extending financial help and other cooperation in this giant project.

Pro-Vice-Chancellor of the University Prof. Shahiduddin Ahmed, Treasurer Prof. M. Shamsul Haq, Chairman of Bangladesh Public Service Commission Prof. M. Mostafa Chowdhury, DUTA President Prof. A.F.M. Yousuf Haider, General Secretary Prof. Hossain Monsur, University Syndicate members and Deans of all the faculties were present at the function.

About Tk. 8.06 crore would be required to complete the construction work of the building. The construction would be completed within 20 months.
