## DU campus rocked by gunshots

Varsity Correspondent

The Dhaka University campus was rocked by several rounds of gunshots and bomb blasts by the member of Chhatra League (BCL) and Jatiyatabadi Chhatra Dal (JCD) during the day-long hartal on Sunday. But none was hurt in the incidents.

Classes were not held in the university on the day as there were a few students present on the campus.

The pro hartal activist could hardly be seen on the campus, however, few leaders and activists of JCD were present at the Madhu's Canteen area early on the day.

Sources said that four leaders of the JCD were beaten by the BCL activists at Madhu's Canteen in the morning. They included the acting President of JCD Manzur-e-Elahi, Masum Billah, Ansar Ali and Babu.

JCD activists fired five rounds on gunshots on a procession of BCL at Shahbag crossing. Six crackers were also blasted there by the JCD men.

BCL activists also fired four rounds of gunshots in front of the Central Mosque of the university.

Later Chhatra League held a rally in front of Madhu's Canteen. Speakers at the rally condemned BNP for creating unrest in the country by calling hartal.

Several spots of the university area became crowded in the evening as many programmes took place at those places as part of the 'Bijoy Mela'.
