Police hunting for terrorists to continue on DU campus

Police will continue their hunt for trouble-makers in Dhaka University to free the campus from terrorism, a top police official said in Dhaka on Wednesday reports UNB.

He said the law enforcers have been ordered to arrest those involved in any kind of violence in the residential halls of the university and prevent acts of terrorism.

Police have already arrested 22 activists of pro-Awami League Chhatra League.

Violence has increased on the DU campus due to intra-party conflicts of two major student organisations — BCL and Jatiyatabadi Chhatra Dal (JCD), student front of BNP.
