1/2 DU students expelled

Varsity Correspondent

Two Dhaka University students have been temporarily expelled by the university on Wednesday for their involvement in terrorist activities at the Ziaur Rahman Hall.

The two students were identified by the DU authorities as Akhteruzzaman Ponir, a first year student of the Economics Department and Zainal Abedin Liton, first year student of Management Department.

Akhteruzzaman Ponir hit a residential student of Zia Hall with a knife on last Monday leaving him seriously injured.

In a separate incident on Wednesday, Zainal Abedin Liton beat another Zia Hall resident with weapons that could not be identified by the university authority.

The two expelled students will be served with 'show-cause notices' asking them why they would not be expelled permanently.

Another student of the Library and Information Science Department, Rizvi Alam, was also served with a similar show-cause notice for being involved allegedly in the two incidents.
