## **DU student driven out from Hall**

**Varsity Correspondent**

A residential student of Dhaka University's Shahidullah Hall was driven out of the hall by the activists of the hall unit of Bangladesh Chhatra League (BCL) for not attending in their procession. Earlier, they set fire to the belongings of the student.

Humayun Ahmed Hiru, the victim, is an M Phil student of the Chemistry Department and is a resident of room No. 23 of Shahidullah Hall's Extension Building.

Humayun did not join the procession of BCL's Shahidullah Hall unit on Tuesday when the procession went to the venue of the rally on the occasion of the National Mourning Day Programme organised by BCL.

The hall is now under the control of an outsider terrorist who belong to the Barisal Group of BCL.
