DUТА's call to oust outsiders from DU halls

Varsity Correspondent

The Executive Committee members of Dhaka University Teachers' Association (DUТА) at a meeting held on Monday, urged the authorities to oust the outsiders from different residential halls and arrest terrorists from the campus immediately.

They expressed deep concern over the terrorist activities that took place in some halls recently. The teachers also urged the authorities to ensure exemplary punishment against the terrorists.

The DUTA meeting was held in the afternoon with its President Prof. A.F.M. Yousuf Haider in the chair.

DUTA condemned the inactivity of the police administration in arresting the terrorists.

The teachers further demanded of the authorities to ensure secured environment in the residential halls so that the students might reside in their respective halls peacefully.

A DUTA press release said that it had called upon all quarters not to give shelter to the terrorists.
