CU BCL may enforce siege Programme.

CU Correspondent

CHITTAGONG, Oct 22:—
Bangladesh Chhatra League
(BCL) of Chittagong University
(CU) unit likely to enforce an
indefinite siege programme on
the campus from next week.

BCL will call this agitation
programme in protest against
the ongoing oppression by
Islami Chhatra Shibir (ICS) on
BCL activists in CU as well as
general students of the university.

While talking with Nasir
Haidar Babul, General Secretary
of CU BCL, said to the
Bangladesh Observer, will dis-
cuss the present situation of the
university with the authority of
CU on October 26 or 27. We will
place our demands to them for
the security of the students as
well as our activists in CU.

If the authority of CU could
not give proper security to our
leaders and activists then we will
go for agitation programme in-
cluding siege programme along
with the general students of the
university, Babul said.

At this decision the academic
future of the university now goes
to the uncertainty again. The
classes of CU remain closed from
October 20 to November 1 due
to the Autumn and Durga Puja
vacation. Earlier, classes of CU
resumed from October 10 after a
lapse of two months as the au-
thority of CU closed the univer-
sity sine die following a clash
between ICS and BCL which left
more than 20 students on August
13.
