DU cancels Barisal Govt College centre

Dhaka University authorities have cancelled its Barisal Govt College centre for the ongoing LLB preliminary and final examinations amid widespread allegations of irregularities, reports UNB.

DU Vice Chancellor Prof AK Azad Chowdhury cancelled the centre on the basis of a special vigilance team report that examinees at the centres were widely adopting unfair means in their examinations.

Earlier, the university authorities cancelled the Momenshahi Law College centre for the same reason.

Officials said the remaining examinations of the candidates appearing from the Barisal College centre would be held at the examination hall of Dhaka University Curzon Hall while those of the Momenshahi Law College at the examination hall of the DU Arts Building.

The university authorities have directed the examinees of the two colleges to appear in their examinations at the two DU exam halls as per the schedule.
