Teachers urged to give suggestions on Edn policy

## **Varsity Correspondent**

Education Minister AHSK Sadeq has urged the teachers to put forward their suggestions to the government about the New Education Policy.

Addressing the inaugural session of National Education Week, 2001 on Monday the minister said, since they are involved in teaching, the teachers were much informed about the country's educational situation. So we would consider their opinions, though the Education Policy which has been placed before the Jatiya Sangsad for discussion, he added.

Stressing on the theme of the programme the minister said education, must be used for human welfare and the teachers should set the directions for this. Education Secretary Dr Sadat Hossain presided over the inaugural session.

Joint Secretary in the Ministry of Education Mohammad Nuruzzaman and Director General of Secondary and Higher Education Department Dr. Aysha Khatun also spoke on the occasion. The theme of this year's education week is 'Education for Human Welfare'.

Professor Jamal Nazrul Islam of Chittagong University presented the keynote paper on Education for Human Welfare at the second session of the National Education Week.
