Seminar on global export at Bangladesh university

A seminar on "Global Exports, Regional Blocks and South Asia" was held in the auditorium of Bangladesh University on Saturday, says a Press release.

Quazi Azher Ali, Vice-chancellor of the university inaugurated the seminar and presided over the working session. Professor Dr. M. Ameeruzzaman Khan, Chairman of the Dept of Business Adminstration delivered the welcome addrs. The keynote speaker Professor Dr Khwaja Amjad Saeed focussed the declining trend of world exports in the decade of 1990's and analysed the trend pointing out the role of NAFTA, G-8, D-8 and SAPTA countries. He also observed that the large countries enjoy the biggest share of the market.

Quazi Azher Ali moderated the questioning session and gave the concluding remarks stating that declining trend should be eradicated to grea-up world economy for the wellbeing of the people throughout the world. The seminar was participated by faculty members, guardians, educationists, and students. The vote of thanks was given by Sakir Mahmud Khan.
