

Developed poultry shed to be set up at BAU

CP Bangladesh to provide fund

BAU Correspondent
Mymensingh

A DEVELOPED poultry shed, funded by CP Bangladesh Company Ltd, will be set up in the poultry science department of Bangladesh Agricultural University in Mymensingh.

A memorandum of understanding between the poultry science department and CP Bangladesh was signed on Tuesday at the conference room of animal husbandry faculty. The agreement will be effective for a period of three years.

Bangladesh Agricultural

University Research System director Lutful Hassan and CP Bangladesh president Suchat Shantipad signed the deal on behalf of their respective sides.

Speaking on the occasion Lutful said the shed would help enrich the poultry industry and also potentiality of the teachers and students of the university.

Dean council convener Md Iddiris Mia, animal husbandry faculty dean SD Chawdhury and poultry science department head Md Bazlur Rahman Mollah, among others, were also present at the MoU signing programme.
