

President urges universities to build manpower

United News of Bangladesh
Dhaka

PRESIDENT Abdul Hamid on Thursday urged both the public and private universities to put their highest efforts to create manpower having knowledge on information technology.

The president made the call when a delegation of Dhaka University of Engineering and Technology, led by its vice-chancellor Professor Mohammed Alauddin, made a courtesy call on him at Bangabhaban.

During the meeting, Abdul Hamid said in the age of information technology there is no alternative to information technology education to create skilled manpower. president's press secretary Joynal Abedin said.

The delegation apprised the president of the academic activities of the university and sought his cooperation to run its activities smoothly.

Secretaries concerned to the President Office were present.
