### Milad held at NUB

Northern University, Bangladesh has begun its academic activities as a full-fledged university with the approval of the Ministry of Education, and University Grants Commission from October 2002. To mark the day and express the gratefulness to Almighty Allah, NUB management arranged a milad mahlil at the university premises. All founder members, teachers, members of IBAT alumni, students well-wishers were present at the occasion.

It is to be mentioned that though this institution has newly appeared as a university it has been functioning its academic activities as IBAT since 1999. And it has already earned a great fame in the realm of education as a dispenser of quality higher education. At present there are more than five hundred students studying in its three faculties (BBA, MBA, and BSc in Computer Science). Under the supervision of a teaching staff experienced at home and abroad the institution helps the students get internationally qualified.

It is to be mentioned that former Vice Chancellor of Chittagong University, and former member of University Grants Commission Professor Muhammad Ali has given his consent to join as the Vice Chancellor of Northern University, Bangladesh (NUB).
