ISLAMABAD, June 27—The amendment package made public on Wednesday to ensure establishment of sustainable federalism carries proposal for setting up of National Security Council (NSC) reports AFP.

The proposed supreme body would be constituted under the Article 157-A of the constitution. The aims and objectives of the NSC shall be to serve as a consultation forum on strategic matters pertaining to the sovereignty, integrity and security of the state. The structure, systems and state of federal democracy and
