Chase and Counter Chase between Bangladesh Chhatra League and Jaiyatalabadi Chhatra Dal in Eden College in the city on Tuesday.

The female activists of BNPs student wing Jaiyatalabadi Chhatra Dal (JCD) assaulted a female leader of Awami League-backed Bangladesh Chhatra League (BCL) on Tuesday noon. About 40 JCD activists chased and assaulted Sandhya Roy Champa, General Secretary of BCL Eden University College unit, when she, along with her friend Barsha, got down from the first floor of the college at about 12 noon. The college sources said the attack on the BCL leader was made due to political rivalry. After the assault, the JCD workers threatened the BCL leader not to come to the college further. Following the incident, the JCD workers also gathered the office of the college principal and shouted slogans. Sandhya was admitted to Dhaka Medical College Hospital (DMCH) for treatment.
