### Training courses for college teachers under National University proposed

Staff Correspondent

Science, Information and Communication Technology Minister Dr. Abdul Moin Khan called for re-formulation of training courses to make it meaningful for the teachers of colleges affiliated with National University.

Minister also emphasised the need for setting up web site of National University to facilitate its affiliated educational institutions.

Dr. Abdul Moin Khan said this as a chief guest at a certificate distribution ceremony of teachers training courses under National University held at BIAM auditorium on Saturday evening. Vice Chancellor of National University Prof Abdul Momin Chowdhury presided over the programme.

A total of 138 teachers of National University affiliated colleges participated at the month long training courses.

Among others who spoke on the occasion were Pro-VCs of the National University Prof. Md. Khalilur Rahman and M Aminul Islam, Prof. AQ Fazlul Wahid and Abdul Awal Khan.
