Shibir calls indefinite strike on CU campus

CHITTAGONG, Apr 16: The Chittagong University (CU) unit of Islami Chhatra Shibir (ICS) called an indefinite student strike from tomorrow on the CU campus demanding implementation of its five-point demand, reports BSS.

The demands include immediate withdrawal of showcause notice against two Shibir leaders, expulsion of Chhatra League 'terrorists', punishment to those involved in the March 18 incident and the attack on proctor's vehicle, an ICS press release said today.

The ICS also brought out a procession on the CU campus and held a meeting at the CU railway station.
