

## Posting of BCS Edn cadre regretted

Staff Correspondent

President of BCS General Education Association Prof. Mohammad Kafil Uddin and Secretary General IK Selim Ullah Khondokar in a joint statement on Thursday expressed their surprise over the posting of 15 more Deputy Secretaries to different posts.

They said that Education Minister Dr. Osman Farruk earlier assured the association leaders of posting the education cadre members to different posts of education sector. But he failed to maintain his commitment given to a team of BCS General Education cadre during a meeting on Tuesday, they pointed out.

They said a conspiracy is being hatched against over 11 thousand members of BCS education cadre across the country. They sought the Prime Minister's intervention to stop the posting of Deputy Secretaries to different posts immediately.

They said that a meeting of BCS General Education cadre will be held at 10 a.m. today (Friday) at its office at Topkhana Road in the city in protest against these postings of Deputy Secretaries.
