

462 DU teachers condemn JMB for bomb attacks

Staff Correspondent

Four hundred and sixty-two Dhaka University teachers in a joint statement on Tuesday condemned the recent killings in bomb attacks by JMB militants in different parts of the country.

They appealed to the main opposition Bangladesh Awami League to work unitedly with the government to address this national crisis. "We expect that the main opposition party will sit for dialogue responding to the call of the government and extend their hands to resolve the crisis," the statement read.
