Education Minister Mahtabur Rahman said on Saturday the Government has taken pragmatic steps for the spread of education and increasing its standard by giving maximum budgetary allocation in the education sector, reports BSS.

The Minister was addressing the teachers, students and guardians of the Khilgaon Model High School in Dhaka.

Mr Mahbub said the Government was determined to reduce the existing imbalance in the educational institutions of the country. In future, steps would be taken gradually to remove the discrepancy and difference in the tuition fees, he added.

The Minister said uniform administration and system, in education and similar pay and allowances for the teachers, would be introduced in the country, he announced.
