### UNESCO programme on Education for All

The Bangladesh National Commission for UNESCO in cooperation with UNESCO Dhaka Office will organize a weeklong programme from April 23 to 29 on the occasion of the Education for All, Global Action Week 2007, reports BSS.

The purpose of observing the week is to disseminate the message of EFA Global Action week among the people, create awareness about education as a fundamental human rights to identify the issues/problems that hinder the achievement of education for all goals by 2015 and also to develop strategies to achieve the goals of EFA by 2015, a press release said.

The programme includes a rally on April 23, debate competition on April 23-25, workshop on "Challenges and Remedies for Education for All (EFA) in Bangladesh by 2015" on April 24, a seminar on "Education is a Fundamental Human Rights: Bangladesh Perspective" and cultural show on April 26 and a village-level study on April 27 and 28, the release said.
