Renowned colleges to face difficulty to enroll GPA-5 scorers this yr

Renowned colleges with limited seat capacity will be facing difficulty while selecting eligible candidates from an all-time high number of GPA-5 achievers, reports BSS.

As many as 25,732 examinees scored GPA-5, the highest ever number of GPA-5 achievers in SSC exams under seven education boards. There are 1,348 more GPA-5 scorers this year than the last year.

The country's 2,425 govern-

ment and non-government colleges have about 4.5 lakh seats for the first year higher secondary students, while 4,54,455 students passed SSC exams this year, sources said.

Only 20,000 candidates can take admission into around 60 renowned colleges across the country.

Of 135 colleges in Dhaka city, around 10 colleges with some 10,000 seats traditionally attract

top scorers in SSC.

For HSC first year, there are about 2,139 seats for science, commerce and humanities groups in Notre Dame College, 1,100 in Dhaka College, 1,050 in Ideal College, 1,083 in Dhaka City College, 990 in Viqarunnisa Noon College, 902 in Dhaka Commerce College, 606 in BAF Shahin College, 488 in Holy Cross College and 444 in Rajuk Uttara Model College in the capital, according to officials of the colleges.

Principal of Notre Dame College Father Benjamin De Costa said, "Brilliant students usually try to get themselves admitted into only 10 to 12 renowned colleges in the capital but seats in those colleges are not sufficient for them."
