VC Prof AFM Yusuf Haider, has so far identified 167 fake students since its formation on October 10, 2006. The syndicate cancelled admission of all of them, according to the sources.

The fact-finding committee was formed in the wake of allegations of inconsistencies in the admission papers of 11 students of the Public Administration Department of the 2004-05 academic session.

A drive was launched in March this year to find out fake students in the faculties of Arts and Social Sciences following the probe committee's report on forgery in the admission.
