RAB personnel arrested Sentu from Kataban area in the capital Tuesday evening.

According to his statement, a team of RAB along with Sentu went to Kashipur at about 4:30am to arrest his cohorts and recover hidden arms.

But, as they reached near the Kashipur den of terrorists, Sentu's sidekicks opened fire on them forcing the law enforcers to fire back that triggered a gun battle.

"Sentu was caught in the line of fire while trying to flee and died on the spot," said an eyewitness account of the gun battle.

RAB recovered one AK-47 rifle, a shutter gun, a revolver and a short gun from the scene.

Captain Anis of RAB-8 said there were a number of allegations against Sentu. But he could not confirm whether there was any case against him with the police.
