JCD threatens to go for indefinite strike in DU from Jan 13

Jatiyatabadi Chhatra Dal (JCD) on Sunday threatened to go for an indefinite strike in Dhaka University from Tuesday (January 13) if the authority fails to ensure their security on the campus, reports UNB.

At a press conference held at Madhu's canteen in the university, JCD, student wing of the BNP, also placed a two-point demand.

They demanded compensation for their goods and properties that were damaged and theft allegedly by the Chhatra League activists after the December 29 elections and to make the campus free from "armed outsiders."

JCD DU unit president Hasan Mamun said that over hundred leaders and activists of this organization were injured in BCI attacks. "Many JCD activists have been drove out of the halls of Dhaka University after the elections," JCD president said.
