Poverty, shortage of schools and teachers

# 1.60 lakh children deprived of education in Comilla

From Our Correspondent

**COMILLA, Jan. 25:**—About 1,60,000 children of the district are deprived of primary education due to various reasons, according to a survey conducted by the primary school teachers in 12 thana of the district.

The survey revealed that out of 6,62,135 eligible children of the district only 5,04,517 are going to schools.

The reasons as revealed in the survey report were poverty of the guardians, lack of awareness of the guardians, inadequate number of primary schools and high prices of educational materials.

There are 1,342 government and 227 registered non-government primary schools in the district which can meet only 70 per cent of the total demand of children.

In adequate number of class rooms, teachers and educational equipment also discourage the chil-

dren from going to schools.

### Books being distributed

About 6,70,700 sets of books have been allotted for the children of primary schools of the district in the current session which are being distributed, according to a District Primary Education Department source.

Out of the total books, 2,05,200 sets were allotted for Class I, 1,45,500 sets for Class II, 1,39,600 sets for Class III, 95,100 sets for Class IV and 82,000 sets for Class V, the source added.
