GETTING the Internet is now the constitutional right of the people of the country, said information minister Hasanul Haq Inu.

The ICT is a vast sector and it is also quite impossible to reduce poverty and environment disaster without help of the ICT sector, the minister also said.

Inu was addressing as chief guest the concluding ceremony of the three-day 15th International Confer-

ence on Computer and & Information Technology at CU Monday night.

Chaired by vice-chancellor of Chittagong University Professor Anwarul Azim Arif, the programme was also addressed by Salahuddin Kashem Khan, honorary consul general of Turkey and also managing director of AK Khan and Company Ltd.

Later, the VC handed over the crest to the minister.

A total of 126 papers were presented in the conference.
