## Primary School at Chandni

Chandni, a village with a population of five thousand under Bhojeshwar Union of Naria Thana in the district of Shariatpur had no primary school.

Considering the difficulties being faced by the local people, I Mohammad Nurul Islam, a freedom fighter established a primary school in 1990 in the village but the school is not yet registered.

A total of 300 students are now enrolled in the school.

It was announced through radio and newspapers that registration of primary schools will begin from March 1 this year but when the Deputy Director of Education was contacted he said that no such orders have come to him.

Under the circumstances, I, the undersigned, would request the authority concerned to look into this matter and make necessary arrangements for the registration of the only primary school in the village.
