

## JUCSU poll as soon as possible: VC

JU Correspondent

JAHANGIRNAGAR University vice-chancellor Anwar Hossain on Saturday said election to the central student union of the university would be held as soon as possible.

He said this while addressing the joining ceremony of newly appointed two pro-vice-chancellors at the university senate building.

'We have got Professor Afsar Ahmed of fine arts department as pro-VC for administration and Professor MA Matin of statistics department for education according to the university act 1973,' the VC said.

He also sought cooperation of all to build the JU as an ideal university.

Acting chancellor of the university Abdul Hamid appointed two new pro-VCs on Thursday for the next four years.

The two posts for pro-VC vacant since February.

Meanwhile, students and teachers have given their mixed reaction on JUCSU polls.

Many think that it was a good indication, but congenial atmosphere on the campus was a must for holding the election.

The campus situation must be improved before the JUCSU election, they observed.

They said conflicting situation still persisted among different student organisations.

JU registrar Abu Bakar Siddique said, 'The election process has not yet started.'
