THE police were forced reportedly by leaders and activists of Chhata League to release a man after he was arrested at a community centre on Sunday on suspicion he was an activist of Islami Chhata Shibir.

The BCL men, led by Hasun Murad Biplab, allegedly hurled abuses at the officer-in-charge of Panchajsh police station Pradip Kumar Das during the incident. They also scuffled with the police while insisting that the alleged Shibir man be freed.

According to the police, a group of BCL men went to the police station at about 1:00pm and rebuked the OC for detaining the Shibir man, also son of Avanu League leader Mozazzal Hossain.

Sources also said the BCL men had forced the police to release the man. The OC said the BCL men behaved rudely to him during the incident, although they later said sorry for that.
