SC, technology varsity to be set-up

FARIDPUR, Jan 28—A Science and Technology University will be set up in the district soon, reports UNB.

Minister for Disaster Management and Relief Chowdhury Kamal Ibne Yusuf said this while inaugurating the monthlong 'Faridpur Agriculture, Industrial and Trade Fair' at Rajendra College playground here on Sunday. The Minister accused the past Awami League government of shifting the place of the proposed university from here to another district violating the government policy.
