Rare academic achievement

Fariah Mahzabeen a student of Maple Leaf International School has obtained 10 'A' grades in GCE 'O' Level examination. This is an extraordinary academic feat as she appeared for 10 subjects in one sitting in January 2002, says a Press release.

She is the first girl in Bangladesh to have a record of 10 'A's in one sitting in the GCE 'O' Level Examination of London University. She sat for English Language, Bengali, Mathematics A, Pure Mathematics, Physics, Chemistry, Biology, Accounting, Commerce and Economics in one session. She also sat for Art and Design subject in May 2001 and secured 'A' grade.

Fariah Mahzabeen is the daughter of Syed Mohammad Abdur Rashid and Mrs. Nasira Khanam. Fariah's father is the Director of NGO Forum and her mother is a housewife.

Academic feat

Sabrina Tabassum Mitu of Viqarunnisa Noon School obtained junior scholarship of 2001 in general grade. Mitu is the only daughter of M Golam Mawla, secretary of Bangladesh Inland Water Transport Authority (BIWTA) and Mrs Khurshida Mawla. She wants to be an electrical engineer in future.
