Innovation UK show at British Council Apr 20

Innovation UK Exhibition will show some of the ways in which ideas as are turned into reality in the UK. This will be held from 20-24 April at the British Council Auditorium in Fuller Road, Dhaka, says a Press release.

Prof Jamilur Reza Chowdhury, Vice Chancellor, BRAC University has consented to inaugurate the programme on April 20 at 10:30 a.m.

A Science Fair for Bengali Medium Schools to show their best science projects will also be organised on April 20.

The theme of the science fair will be on Innovation, Alleviation, Alleviation Poverty and Contributing to the Development of Bangladesh. Trophies will be given to the winners (Champions, first runners up and second runners up). The judges will be: Dr Mohammad Ibrahim, Chairman, Department of Physics, Dhaka University, Dr Zeba Islam Seraj, Professor, Department of Biochemistry, Dhaka University, Dr Chowdhury Mofizur Rahman, Professor Department of Computer Science and Engineering, BUET.

Dr Zafar Iqbal Professor Department of Computer Science, Shahjalal University of Science and Technology (SUST) will also attend the fair.

The ultimate objective of the exhibition is to create a network of young Bangladeshi scientists to link up with young UK scientists. This will be the first and annual event.
