### BOU SSC EXAM results published

Results of the first and second year SSC examinations-2005 under the Bangladesh Open University (BOU) have been published on Thursday, reports BSS.

A total of 1,00,314 learners enrolled their names in the SSC programme. Of which, 68,983 candidates appeared in the first and second year final examinations, said a press release.

Among them, 36,710 candidates appeared in the SSC final (second year) examinations. Of which, 15,098 came out successful in various grades. Of them, 8,029 were males and 7,069 females.

A total of 41.13 percent of the students passed the examinations. Among the successful candidates, 80 got 'A', 832 'A+', 3824 'B', 9914 'C' and 448 'D' grades.

Results of 32,273 candidates, who appeared in the first year final examinations, were also published. Examinees have been advised to contact their respective tutorial centers for their examination results.
