## **lauds Ershad's efforts**

A delegation of the Bangladesh Federation of Teachers' Association met Chief Martial Law Administrator Lt. Gen. H.M. Ershad in Dhaka on Friday, reports BSS.

They discussed with the CMLA, who is also the President of the Federation, important matters which included higher education welfare of teachers and ways to create congenial atmosphere in the educational institutions.

A number of constructive suggestions was discussed during the meeting. These included proposals by the Federation to study the possibility of decentralisation of higher education to make it available upto thana level establishment of more university-colleges in districts and tax-free salary for non-government college teachers like the government colleges.

The members of the delegation highly appreciated Gen. Ershad's efforts to give the teaching community their due respect in the society and assured him of their whole-hearted cooperation not only in this respect but also in other matters relating to the development of education.
