Construction of 30 Pry Schools nearing completion

From Our Correspondent

COMILLA, Jan 12: Construction of 30 primary schools are nearing completion in 12 upazilas of Comilla districts with aid from different donor organisation including Asian Development Bank (ADB) and World Bank. Each primary

schools will have three Class rooms and one office room and other facilities. These schools are being constructed in sadar, Burichang, Brahmanpara, Debidwar, Laksam, Chandina, Daudkandi, Homna, Muradnagar, Barura, Nangalkot, and Chouddagram upazilas.

SCIENCE BUILDINGS

Construction of science building of 24 non-government secondary high schools are also nearing completion with aid from Asian Development Bank (ADB). Each school will have two pucca rooms for science laboratory. The science annexures are being constructed at Debidwar Girls' High School, Muradnagar Girls' High School, Chandina Dr Feroza Girls' High School, Homna Girls' School, Barura Girls' School, Burichang Girls' School and 10 other schools.

With the construction of new science building the science teaching facilities of these non-government high schools the science teaching facilities will be improved.

It may be mentioned here that for the first time Government of Bangladesh has taken up a scheme for development of science teaching facilities of privately managed high schools.
