Pty Education Ministry plan hailed

The National Federation of Teachers Associations on Sunday welcomed the government decision to set up an independent ministry of primary education headed by Prime Minister Begum Khaleda Zia, reports BSS.

In a joint statement, Dr Iajuddin Ahmed and Prof M Shareeful Islam, President and Secretary-General respectively of the association, terming the decision as timely and people-oriented said this step would pave the way for removing the curse of illiteracy by 2000 years.

The leaders of the association also assured their all-out cooperation with the government to make the move all success.
