

## Charge sheet against 7 JCD, Jubodal activists submitted

COX'S BAZAR, May 15:—Police today submitted charge sheet against seven Jubodal and JCD activists for their alleged involvement in an attack at the Kupalong Rohingya refugee camp in Ukhiya, says UNB.

It was alleged that the ruling party's student and youth front activists provoked locals to attack the refugee camp for obstructing government officials to perform their duties, ransacking the camp and beating up the inmates on April 24.

Police arrested JCD upazila president Ali Hasan Ali, Jubodal general secretary Mohammad Badsha, and other activists Foyzul Alam, Nurul Haq, Samsul Alam, Abdul Karim and Sirajul Kabir from the spot.

Later, camp-in-charge Salaudin Ahmed Chowdhury filed a case against them.

After the incident, all activities of upazila Jubodal and JCD have been suspended at the directives of the minister in-charge of the district.

Meanwhile, local BNP filed a case against 21 people, including government officials, camp-in-charge, police and Rohingya refugees, bringing allegation of assaulting the JCD and Jubodal activists at the camp.
