## Computer Centre Opens at DU

By Our Varsity Correspondent

Prof. M. Shamsul Haque, Vice Chancellor of Dhaka University on Monday stressed the importance of the computer and said computer is essential in every discipline of science.

He was inaugurating the newly-constructed Computer Centre of Dhaka University on the day.

Dr. Harun-ar-Rashid Project Director of the centre, and Mr. A.K.M. Fazlul Huq also addressed on the occasion.

Speakers at the function hoped that the Computer Centre would play an important role in the field of research and knowledge. They also said that it would now be possible to help the university administration by analysing different accounts and data.

Prof. A.K.M. Siddiqi Pro-Vice-Chancellor of Dhaka University, Prof. Ramajan Ali Sardar Treasurer of the university, Chairmen and teachers of different departments and institutes of the university were also present at the function.
