EDUCATION minister Nurul Islam Nahid on Monday said that exam of mathematics paper in the ongoing Secondary School Certificate exam under Dhaka education board would be cancelled if the authorities found evidence of question paper leak after investigations.

'We are investigating the allegation of question leak of mathematics paper,' said Nahid while talking to reporters at the ministry. 'We will cancel the exam if we find the al-

legation true,' he added.

Many candidates who took mathematics paper exam on Sunday alleged that a portion of questions of the exam were leaked.

Examinees as well as guardians in Mirpur areas said that they found some question of mathematics paper in the Facebook in the morning and maximum of the questions matched the original question paper. Some guardians in the area alleged that they found sample questions on different Facebook pages before the exams.
