**Vocational instt
to be set up at
each thana HQ**

Prime Minister Shah Azizur Rahman said in Dacca on Sunday that one vocational training institute would be set up at each thana headquarters of the country, reports BSS.

Inaugurating the newly constructed Zamil Bhavan at the Lalmatia Housing Society Boys High School he said that these vocational training institutes would be established with a view to introducing technical bias education system to find gainful jobs for the learners.

Shah Aziz said time has come to evolve a vocational bias education system to fulfil the needs in line with the advancement of science and technology.

He assured government assistance for the technical education project of the school. He also thanked the donors and promoters of the school.

Mr. Abdul Hye Headmaster of the School also spoke on the occasion.
