## QUESTION LEAK IU revokes admission of 100 freshers

OUR CORRESPONDENT, Kushtia

The authorities of Islamic University in Kushtia yesterday cancelled the admission of around 100 freshers, penalised three teachers and two employees, and expelled a student after an investigation found evidence of their involvement in a leak of the admission test questions.

The syndicate suspended Nurul Islam, assistant professor and chairman of the mathematics department, and Alauddin Alal and Saiful Islam, both class III employees.

The syndicate also relieved two teachers from academic activities for two years. They are Mizanur Rahman, associate professor of mathematics, and Altaf Hossain Rassel, assistant professor and chairman of the statistics department.

Monojeet Kumar Das, a master's student of mathematics, was expelled, while admission of around 100 newly-enrolled students of mathematics and statistics was revoked.

Acting registrar SM Abdul Latif said president and general secretary of Bangladesh Chhatra League at IU Saiful Islam and Amit Kumar informed the administration of the leak of the "F unit" admission test questions in the 2016-2017 sessions, through a written complaint.

The test was held in December last year.

A member of the probe committee said 68 question papers went missing from a lot around two days before the test, and an admission seeker paid as much as Tk 1 lakh to Tk 1.5 lakh to buy them.
