Education system to be recast

BARISAL, July 5: Education Minister Mahbubur Rahman today said the present education system would be recast to free it from corruption, malpractice, and vices of party politics, reports BSS.

Addressing a public meeting at Bakerganj Upazila headquarters here, the Minister said the whole nation was waiting for a change in the education system suited to its needs.

Pointing out the failures of the past regimes, he said with the beginning of the era of President Ershad, success story began and during the next 5 years more success would be achieved as the present government was chosen by the
