Students urged to join nation building activities

DHAKA, Nov. 15 (BSS): Chief of the Air Staff Air Vice Marshal Mumtazuddin Ahmed yesterday said the key to success in life was proper education, discipline, firm determination and self-restraint. Life is full of competition and one had to face either victory or defeat.

Addressing the prize distribution ceremony of Shaheen College here today the Air Chief advised the students to participate in the nation-building activities side by side with their learning and devoting their inexhaustible vigour and energy in the leisure hours.

He observed that educational institutions were not only mere organisations for imparting bookish education but those were the nation building nurseries as well. He hoped they would uphold the cause of 'Shahcen' by

keeping congenial and healthy atmosphere to prepare themselves as ideal citizens.

Reminding the teachers of their sacred task of producing ideal and true citizen for the nation, Air Vice Marshal Mumtaz urged them to come forward with a missionary zeal and spirit to imbue the students with the lessons of tolerance, good conduct, social justice and religious obligations.

Elaborating the serious impact of drug-addiction and tendency to indulge in unethical social activities in the present day world he urged the students to dissuade from the disastrous addiction.

Earlier, welcoming the Chief of Air Staff, the Principal of the college gave a resume of the achievements of the students. Bangladesh Air Force (BAF) runs the institution. The ceremony was rounded off with a spectacular cultural function by the students.
