## Student urged to prepare themselves for future leadership

SATKHIRA, March 10: State Minister for Information Syed Deeder Bakht on Thursday stressed the need for dedicated efforts on the part of the students for shouldering future leadership of the country, reports BSS.

There is no alternative to acquiring knowledge for a responsible citizen of the country.

The State Minister for Information was speaking at a function arranged in connection with the unveiling of the foundation plaque of Taka Nationalised B. Dey High School and Shaheed Ali Ahmed Girls High School at the school premises Thursday.

He said that congenial atmosphere had been prevailing in all the educational institutions in the country and at present the students could pursue their studies peacefully. Mr Bakht called upon the students to avail of the opportunity provided by the present government of President Ershad and equip themselves with proper educational background to undertake future responsibilities of the country.

He also said that President Ershad had given topmost priority to the improvement of the education sector and pointed out that it was President Ershad's government which has allocated the highest ever amount in Education sector. He also said that the present government had allocated one thousand one hundred and sixty crore taka in education sector during the current financial year which is the highest ever allocation. The State Minister further said that the government of President Ershad was constantly endeavouring to bring about a change in the life of the common man of the country through decentralisation of age-old administrative system and bring it to the doorsteps of the common man.
