DUSCA holds seminar

Varsity Correspondent

The Shamsunnahar Hall unit of Dhaka University Students' Computer Association (DUSCA) held a seminar on the 'Application and Influence of Computer: 21st Century' at the hall auditorium on Thursday.

A computer-training course for the hall residents was also inaugurated at the programme. State Minister for Youth, Sports and Cultural Affairs Obaidul Kader inaugurated the course as Chief Guest at the programme.

The Minister, in his speech, stressed the need for computer education in this age of technology. This is the first effort by DUSCA to conduct a computer-training course in any of the Dhaka University halls.

The Vice-Chancellor of the University Prof. A.K. Azad Choudhury and Provost of Shamsunnahar Hall Prof. Sultana Shafi also attended the programme as Special Guests.

It was also addressed, among others, by the Chairman of the department of Computer Science Dr. Md. Alamgir Hossain, senior professor of the department Dr. Md. Lutfur Rahman, founder and advisor of DUSCA Bahadur Bepary, President and General Secretary of the association Md. Khairuzzaman Chowdhury and Uzzal Acharjee respectively.

The seminar was presided over by the President of the Shamsunnahar Hall unit of DUSCA Chandana Das.
