## BDR school reopens

Birshestra Nur Mohammad Public School and College, located inside BDR's Peelkhana headquarters, reopened on Saturday after the Feb 25-26 mutiny forced it to close its doors, reports bdnews24.com.

BDR public relations official Nurul Huda told bdnews24.com that there are four educational institutions inside Peelkhana including Birshestra Fazlul Rahman School and College, Birshestra Abdur Rouf School and College and BDR Primary School.

He said that classes at Birshestra Nur Mohammad Public School and College resumed Saturday with 75 percent attendance.

The authorities have decided to reopen Birshestra Fazlur Rahman School and College on April 15, but no firm date has yet been fixed for reopening of the other two, he said.
