

## Anniversary of Victoria University MBA programme celebrated

Staff Correspondent

The first anniversary of Victoria University MBA programme at Dhaka Study Centre was celebrated on Thursday at the Bangladesh Engineering and Technological Services (BETS) Centre at Dhanmondi.

The programme of MBA was introduced on April 19, 2001 with students of 28 which now reached 89.

The celebration of the first anniversary was marked with the participation of the leading elite of the local and multinational organisations.

Speaking on the occasion as the chief guest Wali Bhuiyan, President of Foreign Investors Chambers of Commerce and Industry stressed the need for fulfilling the commitment of the students to the people through the Victoria University study centre. He hoped that the initiatives taken by the private educational institutions would be able to create more effective and skilled workforce.

Dr. Shahjahan Kabir, Managing Director of BETS Victoria Limited in his speech emphasised the need for quality education at the VU campus in Dhaka. He explained the facilities offered at the VU study centre in Dhaka for the study programme.

Dr. Karen Manning, Senior Lecturer of Victoria University of Melbourne, Australia, who is currently teaching International Management at Dhaka campus in her speech reiterated VU commitment to professional development of Bangladeshi managers and business executives. She lauded the progress made at the Dhaka Study Centre within a year of introducing MBA programme with the quality and interest of the students.

Earlier, Golam Mohammed Chowdhury, MBA Course Director, Bangladesh, expressed his gratitude to the local and multinational organisations for their fully and partly sponsoring their managers and executives for the MBA programme in the VU Dhaka Study Centre.
