## News on DU teacher's house attack protested

Varsity Correspondent

The Provost of Shahidullah Hall of Dhaka University Prof. Abul Khair on Saturday protested the news published in different dailies involving his name titled "JCD men attack DU teacher's house".

Terming the news as false, fabricated and unfortunate, Prof. Khair said that on the night some furious students of the hall from a procession pelted stones at Md. Shafiqur Rahman's house. The policemen on duty brought the situation under control immediately.

"The attack on Shafiqur Rahman's house was patronized neither by the Provost of the hall nor by the house tutors" Prof. Khair said in a written statement.
