Discussion meet on Int'l library year

"Books have immense role in human resource development. We are observing International Library year this year and this has created great enthusiasm among writers, publishers and readers".

This was observed by the speakers at a discussion meeting held at National Book Centre with Mahmud Shafiq, Director of the National Book Centre in the chair.

Eminent writer and an expert on library science Fazle Rabbi was the chief guest while Artist Syed Lutful Huq, publisher Mesbahuddin Ahmed, Saeed Bari, Mohammed Rezaul Karim and Poet Mahbub Bari spoke on the occasion.

The speakers also said that Prime Minister received books from poets, writers and publishers at a state function is a very significant in the book publication sector of the country, says a Press release.
